

The Buddha - 'the awakened one'.
 • To be enlightened is to realise the truth about the world.

- Enlightenment leads to nirvana - a state of pure peace and happiness.
- To reach enlightenment Buddhists must stop suffering.
- All life contains suffering.

Buddhism and Equality

Buddhist teachings on poverty

- Wanting to help those in need shows Karuna (compassion).
- Actually helping the poor shows Metta (loving kindness).
- Produces good karma - helping others.
- Giving away your possessions can help guard against greed.

Means - 'Compassion in action'.

'It is a battle for freedom.'

Lots of projects across India & Nepal to help children & women.

Helping children get an education

Helping women train for jobs.

Dalit children & women face lots of discrimination within the caste system, even still today.
