

# Film Studies Induction Task

---

## 1000 Words Overall

Choose your top three favourite films. For each of them, choose an important scene and then answer the following:

- A. In terms of the narrative structure, why is the scene a key moment in the film?
- B. What film making techniques are used? Consider elements such as shot types, mise-en-scene, VFX, sound design and music etc
- C. What themes do the scenes highlight? This could be reflecting issues within the society the film is set (e.g. poverty), character motivations (e.g. greed) or conflict (personal or literal) etc
