

Year 12 Level 3 BTEC Certificate in Children's Play, Learning and Development

Anyone working with children must undergo a Disclosure and Barring Service check (DBS) to ensure that they are safe to work with children.

You must have a DBS in place before you can go out on work experience. This will involve filling in an online form and handing in a minimum of 3 documents to prove your identity, for example an original birth certificate, passport and bank letter showing your current address on it. If you have not already completed this process, please can you email Amanda Day who will help you start the process. Amanda's email is amanda.day@exmouthcollege.devon.sch.uk Amanda will send you a link to an online application form that you will need to complete.

When you got out on work experience, you will be required to reflect weekly on your progress and discuss in class what you have been learning. You will need a small notebook that you will take to your placement with you so please can you purchase one in advance.

Thank you, I look forward to meeting you in September, Mrs Rawles
