Some Christians - acceptable. Human life more important. Other Christians - NOT acceptable. Believe it is unfair + inhuman .	'Go God created human kind in his image. Treat others as you wish to be treated'. 'Whoever kills... a sparrow... without a just cause, God will hold him accountable on the Day of Judgement'.	Some Muslims - may approve if it improves human lives. But should cause least suffering. Other Muslims - not acceptable . Quran tells Muslims not to abuse animals. Muhammad was said to be kind to animals.

THE BIG BANG

THE CHRISTIAN VIEW

GENESIS 1.

THE MUSLIM VIEW

Also believe in 6 days of creation. BUT 6 days = 6 periods of time. Also God did not rest on day 7, but continues to create.

Evidence = Doppler effect. Red shift

Some Christians believe the Bible account to be literally true. Do NOT believe in evolution. Other liberal Christians believe God created the universe, but the Genesis story can be interpreted - ie 6 days = 6 periods of time.
