- **Exeter College Updates & News:**

## Update on Interviews and Enrolment

We are still accepting applications for starts in September 2025. Our next Interview date is 8 May and the final interview event will take place on 25 June. Any students applying after this date will be invited to late interviews in early September. All applying students must attend an interview to be given a conditional offer of study and will then be invited to enrol so that they can take up their offer. Late interviews happen after enrolment, therefore, could limit the selection of courses available.

### Enrolment takes place 22 August-1 September

Students will be sent a letter and email with the details of their enrolment appointment at the start of August, as well as a text. It is essential that students attend their enrolment appointment in person so that they can accept their offer of study and find out about the start of term. For more information on enrolment, please watch the video linked below.

[Watch enrolment video](#)

### College Enrolment

**22 August-1 September**

**Queen Street sites, Exeter**

If any students are abroad for the duration of our enrolment period, they will need to inform our admissions team. Please ask students to contact the team once they have received their invitation to enrolment so that we can try to make alternative arrangements. Enrolment invites are sent out at the beginning of August.

## Financial Support from the Travel and Bursary Schemes

### Travel Pass Scheme

As you may already be aware, all full-time learners who live more than 3 miles from College are eligible for the Exeter College **Travel Pass Scheme**. The scheme provides subsidised travel passes for buses and/or trains, regardless of household income. We can provide further support with the cost of travel for households with an income of below £50k per year, and for any learners with a household income of £30k or below, their travel to College will be free of charge. For detailed information on the varied levels of financial support that are available, please click on the link below.

[More on Travel](#)

### Bursary

In addition to the Travel Scheme, we offer a student **Bursary Scheme** to help ensure that financial constraints don't present a barrier to accessing an outstanding education. The bursary is currently available to students whose household income is below £30k per year, and can help with the cost of travel, free meals, academy fees, essential books, and specialist clothing amongst other things. Bursary applications are now open. For the most up to date information, please click the below link.
