Student Success

Health and Social Care

We have had two Post16 students who have been completing work experience placements in local Children's setting Sunshine Pre-school. The feedback from the pre-school has been outstanding, and we are incredibly proud of Jasmine Woolsey and Eloise Townsend for being excellent role models and advocates for ECC and helping us to strengthen our community links. Both students will receive Principal's Awards. Thank you to Sunshine Pre-School for continuing to support our students through their qualifications.

The Exmouth Ecos

At lunchtime on Monday, Exmouth Ecos had the opportunity to speak to Mr Simon Jupp, the East Devon MP, to ask him some questions about plastic pollution, the environment, water pollution and recycling. The students took it in turns to ask questions which they had generated themselves. Mr Jupp was very encouraging of the work being done by the eco group and answered all of our questions. Well done to all the students involved and thank you to Mr Jupp for giving up his time to speak to our group.
