## **Aims and Values**

Exmouth Community College welcomes its duties under the Race Relations (Amendment) Act 2000 and the Equality Act 2010. These duties reflect our core aims and values.

We are committed to:

- promoting good relations between members of different racial, cultural and religious groups and communities
- promoting equality of opportunity
- eliminating unlawful racial discrimination

In fulfilling our legal duties listed above, we are guided by three essential principles:

- every pupil should have opportunities to achieve the highest possible standards, and the best possible qualifications for the next stages of their life and education
- every pupil should be helped to develop a sense of personal and cultural identity, in which they are confident and open-minded, and that is receptive and respectful towards other identities
- every pupil should develop the knowledge, understanding and skills that they need in order to participate in Britain's multi-ethnic society and in the wider context of an interdependent world.

The College recognises that, under the Equality Act 2010, discrimination and harassment also cover the following:

- 'by association' (if a claimant is associated with someone with a protected characteristic)
- 'based upon perception' (if claims are brought based on perceived characteristics)
- 'indirect harassment' (if a claimant is offended by a person's behaviour towards another)
