Queen Elizabeth II

The College is deeply saddened to learn that Queen Elizabeth II has died at the age of 96, after an incredible 70 years' service to our country as Queen.

We will be ensuring that we pay our respects by allowing opportunities during this period of mourning for us all to understand the historical significance of both her reign, her funeral and the accession of King Charles.

The information and actions taken in College this morning were emailed to you earlier today but can also be found on our website here: Exmouth Community College - Tribute to Queen Elizabeth II (exmouthcollege.devon.sch.uk)
