Sporting Success

Year 7 Football A and B teams had two outstanding results against Torquay Boys Grammar School last week to reach the 4th round of their National Cup competitions. Well done lads!

The ECC sports leaders ran a Key Stage One Athletics festival on Monday 6th November. Primary school pupils from Exmouth and the surrounding area enjoyed a carousel of activities, each station led by our ECC leaders. The leaders were confident, patient, understanding and encouraging and were fantastic role models for the KS1 pupils. Mr Bown had some great feedback about the leaders from primary school staff. The sports leaders' next event for the primary school pupils is a KS2 dance festival in the new year.

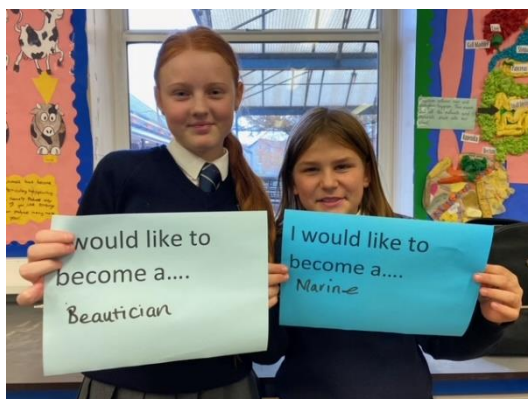

Careers Themed Week

Careers Themed week 1: Labour Market information and skills

Last week students took part in the first careers week of the year! Across all subjects students learnt about a career linked directly to the content they are learning.

Students were able to discuss the skills and qualities needed for a variety of different roles and

why it is considered as a growth area. Staff and students have commented on the interesting conversations they have had regarding the pathway they would like to pursue - see photos for some exciting examples!

Author Visit

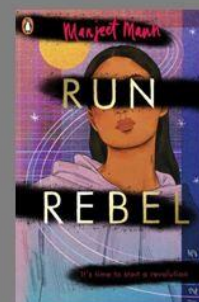

Manjeet Mann Author Visit

A selection of 60 Year 8-10 students had the pleasure of participating in an author workshop with Manjeet Mann on Wednesday 8th November.

Manjeet is an award winning author, as well as a playwright and actress. Manjeet began by talking about her life and journey to becoming a creative writer. The art of writing and where she gets her inspiration. Giving advice to our budding authors: *'Always carry a journal or notebook with you, as you never know when inspiration might strike.'*

The students were taken through 3 steps of script writing, resulting in them writing a dialogue in less than 20 minutes.

Activity Week 2024

Activity Week is back in July 2024 and is bigger and better than ever. With more activities added, including more residential trips. Information will go home to parents, carers and students in the final week of term.
