01/08/2024

Dear Parent/Carer,

Due to Moorfield Road Bridge in Exmouth now having an enforceable weight restriction of 7.5 tons, DCC school buses will no longer be able to cross the bridge and access Exmouth College's bus parking area.

Until the bridge can be replaced and the weight restrictions lifted, **please see the new drop off and pick up arrangements for all buses.**

Dartline-EXM021/EXM024

Morning- Dartline buses will drop students off at the Gypsy Lane School entrance.

Afternoon- Dartline buses will collect students from the bus shelter on Withycombe Village Road (Opposite the Ness Hub).

Stagecoach-EXM157

Morning- Stagecoach buses will drop students off at the bus shelter opposite the Gypsy Lane school site. All students will then need to use the push button crossing to cross the road to the school.

Afternoon- Stagecoach buses will collect students from the new designated bus stop on the school side of Gypsy Lane.

We apologise for the necessary changes to the school transport arrangements serving Exmouth College.

Kind regards,

Transport Coordination Team
Devon County Council
