

Sixth Form Horizons Bulletin 15-9-25

Your weekly information point for enrichment, work experience and next steps

Could you be an ambassador for the school at the **open evening on 25 September**? Your role would be to guide groups of parents and potential students around the site, 4-7.30pm. Check the Class Charts announcement which includes a Microsoft Forms link to sign up and complete the permission form.

Interested in **paid work on the till in school canteens** that fits around your timetable? Pay is £12 + per hour, work that fits your timetable, earn without the travel to work. More hours available to cover staff sickness helping in the kitchen when needed. Email Kate.glover@exmouthcollege.devon.sch.uk or Claire.lynch@exmouthcollege.devon.sch.uk

AQA is an exam board that provides GCSE and A Level qualifications. They are looking to grow their **Student Advisory Group** - a team of passionate young people who help shape the future of education at AQA. Student Advisors gain valuable experience, build confidence, and develop skills that stand out on CVs and university applications. You can also use AQA as a reference for future opportunities.

They are looking for students who:

- Have taken at least one AQA qualification since 2024 (including vocational qualifications)
- Communicate confidently and work independently
- Are passionate about education and its potential to drive change

How to apply:

You can then apply by submitting a personal statement (max 500 words) by 5.00pm on Monday 22 September 2025 via [Student Advisor recruitment page](#). Meetings are held in person at AQA offices across the UK. Travel and accommodation expenses are covered.

Open Days at Marjon College, Plymouth

- Saturday 4th October
- Wednesday 26th November – group bookings can be arranged for this.

<https://www.marjon.ac.uk/courses/open-days/>

"Discover Diagnostics" Careers Event is being held at the South West Imaging Training Academy, Plymouth next Saturday 20th September 2025, 9am -12pm or 1pm – 4pm. It's the perfect opportunity to find out more about the incredible careers that make up **radiography, pathology and healthcare science** and how to get into them.

It's **free** to attend but tickets must be booked for each attendee, for either the morning or afternoon session, by scanning the QR code on the poster (attached), or following the links:

Morning - <https://app.tickettailor.com/events/nhs36/1653669>

Afternoon - <https://app.tickettailor.com/events/nhs36/1653713>
