**Your weekly information point for enrichment, work experience and next steps**

**Forthcoming Insight Days at Trowers and Hamlins, an international law firm with an office in central Exeter.**

Students are invited to attend their upcoming insight days, which provide an opportunity to learn about the firm, the legal profession, and the various routes into a legal career. These sessions will include interactive activities, networking opportunities with our solicitors and apprentices, and practical insights into what it's like to work in a law firm – leading into accepting applications for our solicitor apprentice roles.

**STEM SMART**

Trinity College, Cambridge is proud to be a partner college for this year's **STEM SMART** programme – a free, 16-month University of Cambridge initiative supporting UK **Year 12 students** interested in science, engineering, or computer science.

The programme offers academic support, tutorials, mentoring, and enrichment opportunities across Years 12 and 13. Selected students will also be invited to a four-day Cambridge residential in August 2026, hosted by partner colleges including Trinity. For full details including how to apply, visit the [STEM SMART webpage](#)
