

Sixth Form Horizons Bulletin 17-11-25

Your weekly round up of opportunities to shape your future

The Devon Healthcare Hub programme offers a series of six interactive, academic-led sessions held between January and April at St Luke's Campus in Exeter. **It is open to applications from Year 12 Biology A Level students ONLY.**

These sessions provide an excellent opportunity for students to enhance their scientific knowledge, explore healthcare careers and gain valuable practical experience. The session timetable is as follows:

Session timetable

- Wednesday 21st of January: Brain Dissection
- Wednesday 28th of January: Antibiotic Resistance
- Wednesday 11th of February: Microscopy
- Wednesday 4th of March: Heart Dissection
- Wednesday 18th of March: Kidney Dissection
- Wednesday 1st of April: Problem based learning (Diagnosing genetic forms of diabetes)

Please email your name to Dr Davies if you would like to be part of this.

Plymouth Marjon University invites you to its upcoming Open Day - a perfect opportunity to explore student life, tour our facilities, and speak directly with academic staff and current students.

 Date: Wednesday 26th November

 Location: Plymouth Marjon University

 Time: 09:30am – 15:00pm

 Who it's for: Year 12 and 13, parents/guardians also welcome

Ambition Nottingham 16-18 programme is a free two-year scheme for all Year 12 students from anywhere in the UK. It supports progression and application to a university of your choice through various online sessions, which include:

- Subject insight sessions with university academics
- Q&As with current students
- Advice and guidance on university selection processes

We are now also offering the opportunity to attend our Open Days as a VIP with extra activities and support. The programme runs from January of Year 12 and throughout Year 13.

Solicitor Apprenticeship Application Masterclass, Insight Session and Careers Fair: This is a virtual event series for Year 12/13 students, which kicks off later this month on Thursday 27 November 2025 (4:30pm to 6pm). It features early talent teams from 24 leading law firms. The session is free and open to all Year 12 & 13 students. [The sign up link is here:](#)

These degree apprenticeships are open to applications now for a Sept 2026 start:

Civil Engineering (There are four types of apprenticeship - Roads, Water, Bridges, Communities)
Solicitor

ECC Careers Service is now taking bookings for appointments in January. Give your name to your tutor if you would like to speak to an adviser.
