

Sixth Form Horizons Bulletin 25th November 2025

There's a lot in this one! Your weekly round up of opportunities to shape your future

Be among the first to experience Solent's (Southampton) brand-new Institute of Technology - a cutting-edge facility designed to inspire the next generation of innovators and industry professionals. During their exclusive taster day on 20 January, you can take part in hands-on, practice-led workshops across state-of-the-art facilities - from marine, construction and fabrication workshops to biomedical labs and our maritime simulation suite. Book here - <https://gck.fm/uenxs> £10 Amazon gift card is available to contribute to your travel costs.

Information session with a Jet 2 pilot on **Wednesday 28th January 2026 from 8.30am-9.00am.** Find out how to start your career path and what kind of jobs are on offer. Sign up with the careers team, sophie.beardmore@exmouthcollege.devon.sch.uk.

Royal Albert Museum, Exeter (RAMM) is currently recruiting for the new Future Skills 2026 programme. If you are aged 18+ and want to learn how Devon's biggest cultural institution works and get direct advice from the people who work here, this is the programme for you! Find out more and apply before Tuesday 25 November, 11.59pm here: [Future Skills](#).

RAMM is also inviting young people aged 18–25 with a passion for culture and museums to apply for its 2026 Youth Panel. The panel plays a key role in shaping the museum's future, especially in making it more engaging for younger audiences. Each session is paid. The deadline to apply is Tuesday 2nd December, 11.59pm. Find out more and apply here: [Youth Panel](#)

The Quotation Bank Essay Prize, in collaboration with **University College, Oxford**, is now in its second year and is an opportunity for **Year 11 and Year 12** students to explore their own literary interests and to articulate their own critical views and opinions away from the boundaries of a school curriculum. [Find out more here.](#)

Are you passionate about animals and science? Join **VetCam 2026**, a two-and-a-half-day residential programme at the University of Cambridge designed for Year 11 and 12 students considering a future in Veterinary Medicine.

Dates: Monday 30th March – Wednesday 1st April 2026 at St Catharine’s College, Cambridge.

Who should attend? Students aiming for A/A* grades, with Chemistry A level (or equivalent) and ideally two other science subjects (Biology, Physics, or Maths). Places: Limited to 50 students – first-come, first-served

Booking link - [VetCam 2026 | University of Cambridge](#) (NB. There is a cost for this course.)

Virtual Work Experience Day for those interested in a career in law:

This is taking place on **Monday 22 December 2025, from 11am to 3pm**. This interactive event is open to **Year 12 and 13 students** who are curious about a career in law and will be hosted online to ensure easy access. Whether you’re set on a legal career, or still exploring, this day will help you build confidence, gain knowledge, and make informed decisions about their future.

What attendees can expect from the day:

- Discover different pathways into law - from university to apprenticeships and alternative routes like CILEX
- Take part in a legal skills workshop and learn critical skills for lawyers
- Hear from legal professionals at different stages of their careers in a live panel discussion
- Develop their own legal skills
- Ask questions, get advice, and find out what it’s really like to work in law

Interested students can **register to attend here:** [Work experience | Foot Anstey](#)
