Thank You for a Great Start!

A heart felt thank you to all parents and carers for your support in ensuring students' start to the new academic year has been a positive experience. Students have returned looking smart and ready to engage in their learning. It has been great to catch up and hear about their plans and target for the forth coming year.

Meet the Tutor and Progress evenings

Our Meet the Tutor Evening takes place on Wednesday the 2nd October. This will be online using our Parents Booking system. Information will be sent home nearer the time. The event is a great opportunity for you to make contact with your child's tutor.

In addition, we also host our subject Progress Evenings which are an opportunity for you to meet with your child's subject teacher to discuss their academic progress and engagement in their learning. Progress Evenings will be held either face to face in College, or online. This information, along with the dates are available on our website here: [Progress Evening Dates](#)

Wellbeing support

Our website has been updated to include a new Wellbeing tab. Here you will find a wealth of information for you as parents and careers. Please do take the time to view this page as it supports our whole community with ideas as well as sign posting to charities and support. [Wellbeing Tab](#)

Enrichment

Our Sport Clubs Enrichment for the Autumn Term can now be found on our website under the enrichment tab here : [Student Enrichment and Leadership](#). Our none sport enrichment clubs will be emailed home over the next few weeks.

House Competitions

Our students and staff have excitedly been comparing House allocations since we returned from the summer break. Our first *Inter House Competition* launches on Wednesday 2nd October to raise awareness and funds for Snack Pack – a local children's group supporting children and their families affected by Diabetes who receive care at the RD&E Hospital Exeter. Students will learn more about this over the coming weeks.
