### Ten Tors Success!

All 3 ECC teams completed the event! The challenge started back in the Autumn term with students training for both the 35 and 45 mile teams. The dedication shown by our students is truly inspirational. A big thank you to their parents and carers for their support and encouragement. A real team effort.

We also want to give a big shout out to our amazing ECC staff led by Mrs Toomey. Without the hours put in at weekends to train students, the students would not have had this opportunity.

Mr Inman has joined the training walks and the challenge itself this year and has been blown away by the team work and determination of our students. Well done everyone!

### Devon County Show

Last Thursday (15.05.25) the music department took 34 students to the Devon County Show to perform in the bandstand along with other schools as part of the Devon Music Education Hub. Students were from all year groups and were all part of an extra-curricular music club. We had performances from Post 16 students, the school band, chamber ensemble and "Sing" (run by Music A-level student Ella). The weather was very kind to us and the students had a fantastic day out and were able to experience everything that was on offer at the show. All of the performances went really well despite the wind trying to steal some of our music! If you're not currently part of any music clubs, it's well worth considering joining to be able to experience these brilliant performance opportunities.

### Rugby Development

2 weeks ago, I took a group of Y7 girls to a Rugby development day in Exeter. They were almost 300 Y7 girls in total from across Devon and Somerset taking part in a morning of skill development activities run by the RFU, followed by an afternoon of touch rugby games against several other schools. The girls were fantastic throughout in very hot conditions and thoroughly enjoyed the day. If anyone else is interested in wanting to play rugby but not sure where to start, please ask Ms Dorrian in the PE dept.

## Missed a vaccination? Mop up session – 9<sup>th</sup> June

## Career Talk from Willmott Dixon

Last week yr 10 were given a presentation from construction company- Willmott Dixon.

The focus of the assembly was not on the 'usual' construction jobs but those behind the scenes. Joel explained to students the many varied roles available including quantity surveying, design, interiors, health and safety, finance, HR, advertising... the list goes on..... Joel explained routes into the profession and also expected salaries!

Many students stayed behind to ask questions at the end and Joel will be working with us again next year.

## Budding Writers and Avid Readers

Huge congratulations to Keira in Year 8 and Leonardo in Year 9, who wrote the winning entries under the categories – letter writing (8) and dystopian writing (9). There were nearly 400 entries for both of the competitions, so for those students who didn't win - all of the entries were fantastic and will be published in ECC Anthologies, which will be available to read in our library.

**Year 7, are up next...  
who will write the best Greek Myth  
over the next couple of weeks?**

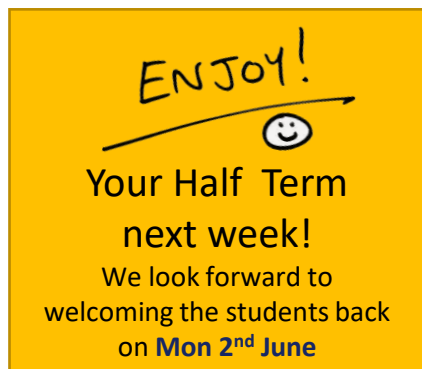

Sparx Reader update: many Year 7s have been ravenously reading on Sparx over the last two weeks. This is fantastic, so we've added a competitive edge to their reading! Each week we're celebrating those who go above and beyond! The top three readers for last week were Isla, Livvy and Freddie. You will all be entered in a raffle to win a mystery prize at the end of term.

The top three tutor groups were **7ATC**, **7JEM** and **7EP**. Find out more on Sparx [here](#)

## Young Enterprise update

In the Autumn Term, the Year 9 Enterprise Christmas Fair took place in the Elizabeth Lee Theatre. Twenty-eight students took part, selling Christmas Gifts, cakes, sweets, decorations and bracelets.

The evening was busy with lots of sales made and the students were thrilled to take part. Each student received a gift voucher for taking part and donations will be made to nominated charities.

## New Horizon's

The weekly Sixth Form careers bulletin. An amazing resource containing lots of local and national opportunities that will shape their next steps. [May Issue](#)

## Apprenticeships and Events for School Leavers in Y11

For more information about the opportunities on offer see our newsletter [here](#)

Thank you to everyone who supported the eco group bake sale last week. We raised over £90 to help fund materials to build swift boxes.

For the last half term, Textiles Club will be making wall hangings. Come along to 322 Tues from 3.15-4.15pm to make one of your own.

Limited to 15 students

## Parent/Carer Forums

Tue	17 <sup>th</sup> June	9.30am 6.00pm	Learning & Curriculum
Mon	30 <sup>th</sup> June	9.30am 6.00pm	Enrichment

We are running a series of parent career forums through the summer term. We will follow the format of the very successful consultation events, with an initial update on our work in that area, followed by an opportunity for parents/carers to share their feedback and suggestions.

Consultations will take place on the dates above, to book a place at one of these events, please use this link
