15-17 – Activity Week & Year 10 Days
18 Last Day – Students leave at 1pm

AUGUST

14 – A Level Results Day
21 – GCSE Results Day

SEPTEMBER

3 – Start of school year

Budleigh Music Festival

The music department took eleven Year 10 students to Budleigh Music Festival to watch some recitals. At 11am the students got to watch Bonnie Scott, a harp student currently studying at the Royal Academy of Music, deliver a 50 minute recital. Afterwards they were able to ask her questions and watch her demonstrate how a harp works, some of them even had a go! Then at 2:30pm after a lunch break at the beach, the students watched award-winning concert pianist William Bracken deliver a stunning 50 minute recital completely from memory. Afterwards they had the opportunity to speak to him and get some pictures. All of our students really enjoyed the day out and felt inspired after watching some amazing performances.

Science Whizzes!

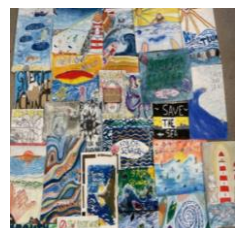

Just under 50 Year 7 and 8 pupils took part in the British Physics Olympiad Year 7/8 Online Physics Challenge back in May- this is a competition participated in schools around the country and gives students in Y7 and Y8 the chance to show off their Physics skills and knowledge. We are delighted to say that ECC students did incredibly well! All students achieved a bronze or better, with nine pupils achieving a gold award putting them in the top 25% of the country!

In May a hundred Year 10 pupils took part in the Junior Physics Online Challenge. Again, all students achieved a Bronze award or better, with many achieving Silver awards.

Well done to all students who participated - your enthusiasm and approach were a joy to see!

Dartmoor Rambles

Year 10s enjoyed a recent visit to Dartmoor to complete their physical geography fieldwork about rivers. Student enjoyed fantastic weather and all groups put in a great effort collecting data. It was a pleasure to take them out the classroom and into 'field'.

Students Stand Up!

Year 9's have been working on posters on the theme of 'stand up for your rights!' They have chosen a wide range of causes including Surfers Against Sewage, Peace and Human Rights. Students used mixed media including watercolours, mono-printing, oil pastels and coloured pencils. Brilliant work everyone.

Bicton College Opportunities

Year 10 were given the opportunity to sign up for a trip to Bicton College this month to explore and experience two different courses.

Students were able to choose from, Military and Protective Services, Civil Engineering, Horticulture, Land based Engineering, Arboriculture, Vet Nursing, Equine, Outdoor education, Agriculture, Animal Management and Countryside and Conservation.

Community Spirit

Students ventured out into Phear Park to litter pick this month. They did a fantastic job and collected three full bags of rubbish!

GB Qualification

Huge congratulations to Sam in Year 7 who is going to Copenhagen to represent team GB in the BMX world championships in July!

Quad Concert on 7th July

A wonderful, inclusive event.

Year 11 Prom

We said goodbye to our wonderful Year 11s this month with a fantastic Prom night at Exmouth Pavilion. Students arrived in style and partied the night away. Good luck to all with their results in August!

Schools Final Day

A massive 'thank you' to Budleigh Salterton Cricket Club for a wonderful schools final day. Both finals went to the last ball, with Exmouth beating Honiton in the Under 13's and Uffculme beating Exmouth in the Under 15's. Both finals were played with excellent team spirit and a credit to all schools. A huge 'thank you' to Ian Horne for providing two fantastic grass wickets for the students to play on. Mr Taylor, would like to thank all the 'cricket teams' for another fantastic year, some outstanding achievements and always a delight to coach and take on fixtures.

Apprenticeships and Events for School Leavers in Y11

For more information about the opportunities on offer see our newsletter [here](#)

Romeo & Juliet

Year 10s visited the Northcott Theatre to see Romeo and Juliet performed with a fast-paced production and talented cast.

Student comment: "it was a really good experience – funny and entertaining, not what I expected. Seeing it live highlighted parts of the play I hadn't notice when reading it in class."

CELEBRATION TOUR

Can you help?

One of our students has the opportunity to go with Camps International to Africa are you able to support?

This is an independently run trip separate from the School trip to Kenya.

Layla has an incredible chance to go on a 4 week educational trip to Kenya with Camp International. This journey will allow her to immerse herself in a new culture, engage with the local community, and gain insights that can't be learned in a classroom. It's a unique opportunity that many only dream of.

To make this experience possible, she is seeking support through a GoFundMe campaign. Every contribution, no matter how small, will help her reach her goal and fulfil this ambition.

By supporting her, you're not just helping with travel costs; you are investing in her education and personal growth.

Consider donating or sharing her campaign with others who might be interested in contributing. Thank you for taking the time to consider helping Layla on this meaningful adventure.

VOLUNTEERS NEEDED!

CALLING ALL VOLUNTEERS!
WE NEED YOUR HELP!

Exmouth
Community
College
Academy Trust

ECC Sixth Form are hoping for voluntary help from our wider community. We know we have a wealth of knowledge and expertise that we would love to share with our young adults.

Contact us today if you could offer a block of 6 weeks- minimum on a Wednesday 2-3pm .

Every Wednesday we offer a variety of sessions that students sign up to, but we are looking to expand. Looking for experts in areas such as public speaking, personal finance, setting up your own business, digital literacy, driving theory and any other suggestions very welcome.
