

Sixth Form Horizons Bulletin 20th December 2025

A round-up of great opportunities to shape your future

Work experience - medical, biomed, dentistry

The Peninsula Pathways Programme has three areas of support, the Summer Work Experience Programme, the Brightside e-Mentoring Scheme and the online Workshops.

- Work experience; <https://www.plymouth.ac.uk/study/outreach/medicine-dentistry-biomedical-healthcare/work-experience>
- E-Mentoring; <https://www.plymouth.ac.uk/study/outreach/medicine-dentistry-biomedical-healthcare/e-mentoring-scheme>
- Online Workshops; <https://www.plymouth.ac.uk/study/outreach/medicine-dentistry-biomedical-healthcare/peninsula-pathways-workshops>

Information session with Jet 2 as part of our L42 lessons on Wednesday 28th January 2026 from 8.30am-9.00am in the Liz Lee Theatre. We will have a pilot from Jet 2 join us to give students an idea of what a career with Jet 2 looks like, how to start their career path off and what kind of jobs are on offer with an airline and the travel industry. Sign up - give your name to your tutor.

Devon partnership NHS Trust - online work experience

Are you curious about careers in Mental Health, Learning Disability, and Psychological Professions. This is a unique opportunity to explore through a structured, interactive online placement with Devon Partnership NHS Trust.

What you will experience

Live sessions with professionals including Mental Health Nurses, Learning Disability Nurses, Clinical Psychologists and Psychological Therapies Trainers
Hands-on activities like designing recruitment campaigns and evaluating NHS websites

Career pathways and guidance on routes into NHS roles

Personal development and confidence-building tasks

3 days 3-5 March. Apply by 2 February, designed to fit around your timetable.

Fully-funded remote [work experience opportunities in Hospitality and Catering](#) in February and March for students who are interested in gaining real-world experience in a fast-paced and rewarding industry.

Our placements provide an insight into a range of hospitality roles, which may include:

- Food preparation and kitchen operations

- Customer service and front-of-house experience

- Health, safety, and food hygiene practices

- Teamwork and communication skills

- Understanding day-to-day operations in a professional hospitality environment

This work experience is ideal for students considering future careers in hospitality, catering, or customer service, and helps develop valuable employability skills such as confidence, time management, and responsibility. Placements range in length, from 1 day insights to multi-day for a deeper dive and are interactive, fun and impactful.

Remember, our other Remote WEX Placements are available throughout the year.
