

Sixth Form Horizons Bulletin 3rd March 2026

Try something new ...

Explore potential university pathways in a subject that is new to you - at the University of London.

[Population Health Sciences](#) - An introduction to how data, research, and public health shape real-world health outcomes and global wellbeing.

[LSE Explore Anthropology](#) - Discover how societies, cultures and human behaviour are studied across the world.

[LSE Explore Economic History](#) - Explore how economies have developed and transformed over time.

[LSE Explore International Relations](#) - Examine global politics, diplomacy and international systems.

[LSE Explore Philosophy, Logic and Scientific Method](#) - Engage with critical thinking, reasoning and the foundations of scientific inquiry.

[LSE Explore Management](#) - Learn about leadership, organisational behaviour and decision-making in business.

[Biological Sciences Taster Course](#) - Explore genetics, ecology, physiology and hands-on laboratory science.

Swim lifeguard opportunity - 19 March - 12-3pm at the Cranford Sports Club, funded by Surf lifesaving GB.

You will be able to add this to your CV, work experience, great for roles in education, coaching, childcare, emergency services, military and many more

We only have 15 spaces available so respond to the email quickly! If you sign up please stay committed as it will mean others miss out.

A lunch will be provided. You will be in the pool 1-2pm (you can wear shorts and T-shirt), then a land-based theory session 2-3pm.

The Department of Education and Plymouth Marjon University invites you to the launch of their new **Specialist Teaching Assistant (Level 5) Apprenticeship** starting September 2026. This funded, work-based programme offers a clear progression route for TAs, HLTAs, school support staff, and those considering a career in education. The launch event will cover:

* Funded Level 5 STA qualification (with Foundation Degree)

* Specialist pathways: SEND, Social & Emotional Wellbeing, and Curriculum

* Apprenticeship funding, application process, and next steps

Event Details Wednesday 11 March 2026 from 5:30–7:00pm (optional campus tour from 4:30pm)

Register via the MS Form: [Sign up here!](#)

Further information: <https://www.marjon.ac.uk/courses/sta/>

In school ... Lindsay Dell from Devon & Cornwall Police coming into School on Wednesday 18th March 2026 as part of our L42 lesson (8.30am-9am) in the Liz Lee Theatre. Lindsay will be giving a talk on what life looks like working for the Police, what variety of jobs are on offer, how to apply and what career paths to take. It will also include a short question and answer session at the end.

This is open to all students, but will be a **sign up session only** so please give your name to your tutor if you would like to attend.

Sustainability and green careers: We are pleased to invite **post-16 students** to the fourth session of [Exploring Environmental Pathways](#), a free webinar series run by the University of Leeds to help your students **discover the future of environmental studies and careers**. Presenter: [Dr Vanessa Schofield](#), Lecturer in Sustainability and [Dr Rachael Carrie](#), Lecturer in Environment and Society, [School of Earth, Environment and Sustainability](#)

- **Date:** Wednesday 11th March, 4.00-4.45pm
- **Location:** Zoom

Who is it for? Geography, Humanities and Science students - anyone with an interest in sustainability and green careers.

Upcoming workshop opportunity, hosted at ULaw's Bristol Campus on 5th March 2026.

In honour of Stephen Lawrence Day, ULaw is running a 5-hour workshop, taking a look at the case that contributed to major changes within policing, the law and society as a whole.
