

Welcome to this week's news:

YEAR 11 PROM

Our Year 11 students enjoyed a fantastic Prom as they celebrated the end of an important chapter in their school journey. They maintained the tradition of a parade of vehicles arriving along Exmouth Sea front. It was a wonderful evening filled with laughter, friendship and lots of music. Ms Leslie and Mrs Jordan presented various awards during the night. We are incredibly proud of all they have accomplished and wish them every success for the future.

YEAR 13 PROM

Our Year 13 students celebrated the end of their school journey in style at this year's Prom at Woodbury Park. The evening was filled with laughter, friendship and plenty of memories, with students making the most of the photo booth, dancing the night away and enjoying a special awards presentation. It was a wonderful opportunity to celebrate their achievements and mark this important milestone before they embark on their next exciting chapter.

SWIMMING SUCCESS

Our junior and intermediate swimmers took part in the East Devon Schools swimming gala showing excellent team work and a strong competitive spirit. Both groups worked together to organise and support their teams in a friendly and respectful way. They were a credit to our school and there was some great swimming on show resulting in fantastic results. In the groups our results were:

JUNIOR OVERALL - 1st

INTERMEDIATES OVERALL - 3rd

ART, DT AND PHOTOGRAPHY EXHIBITION

We were delighted to showcase the incredible talent and creativity of our students at our annual Art, DT and Photography Exhibition. The exhibition featured a diverse range of work, demonstrating the dedication, skill and imagination of our young artists. We also showcased incredible work from our KS3 students. Thank you to everyone who attended and supported this wonderful celebration of student achievement.

YEAR 6 WELCOME DAYS

We were delighted to welcome our incoming Year 6 pupils for three exciting Transition Days. It was wonderful to see so many enthusiastic students exploring their new surroundings, meeting staff and classmates, and getting a taste of life at secondary school. Activities included a tutor group trail, a welcome assembly and introductory lessons in a range of subjects they will study from September.

Students showed great creativity in Art, designing impressive graffiti-style lettering, and developed their storytelling skills in Drama by creating freeze frames to bring scenes to life. We have loved getting to know them and look forward to officially welcoming them into our school community in September.

YEAR 10 GEOGRAPHY TRIP

Over the week, our Year 10 Geography students have been carrying out fieldwork on Dartmoor, collecting data to investigate how the River O Brook changes along its course. They worked incredibly hard, developing their geographical skills and understanding through hands-on learning in the field. Blessed with fantastic weather throughout the week, it was an enjoyable and rewarding experience for everyone involved.

POLICY UPDATE

Please be aware that the school's Behaviour, Relationship and Recognition Policy (on the school website) has been updated to reflect the use of Yondr mobile phone pouches in school. Your attention is drawn in particular to Appendix 5, which states: "Prohibited electronic devices (phones, smart watches, air pods) are not to be used within school". Exemptions may be made for those with specific medical conditions.
