

How to find books and AR Quizzes at home

AR Quizzes.

During lockdown you are still expected to read a book with an AR Quiz for at least 20 minutes every day as part of your English work.

Your English teacher will check your reading minutes regularly and monitor the quizzes you are taking. You will still earn points and prizes will be awarded when we return to school.

Reading Level Range

You should all know your reading levels. If you don't then email your English teacher or Louise.burrows@exmouthcollege.devon.sch.uk

How to find books with quizzes on to read at home

You can check any books you have at home to see if they have a quiz by going to www.arbookfind.co.uk

If your book isn't on here then it won't have a quiz. Remember that the book cover might look different but if the author and title are the same it will be the book you are looking for.

Sometimes series books like "Tom Gates" and "Wimpy Kid" are just under title without the series name, eg. "Tom Gates Top Of The Class " will just be under "Top of the Class."

ECC have FREE SORA ebooks

SORA has thousands of free books which you can download to any device so you can borrow books digitally when not at school.

Watch this short video which explains how to find some great books:

REMEMBER, whilst lots of books on SORA have quizzes you will need to check on arbookfind to see if the one you like has a quiz as not all titles have a quiz.

To access Sora, Accelerated Reader and Eclipse, first logon to RM Unify with your usual College username and password. If you have difficulty logging on to RM Unify, then email ICTSupport@exmouthcollege.devon.sch.uk

Sora: how does it work?

Go to exmouthcommunitycollege.devon.sch.uk

> Unify Staff/Student

Enter your College username and password

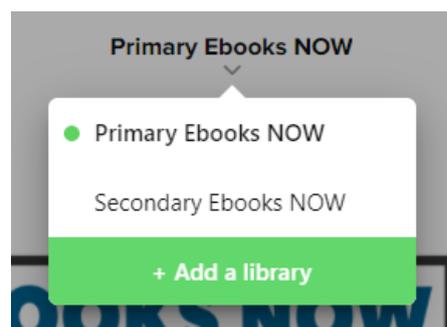

Click on the Sora tile (see right)

Register using the school's name, and login:

Username = firstname.surname (Year 7s remember, do not use 20 before your first name for Sora)

Password = date of birth (DDMMYYYY)

Students can then select from Primary Ebooks Now and Secondary Ebooks Now, by selecting from the top drop-down arrow.

Browse the Explore tab, and borrow a book. You can start reading immediately. We recommend students have a look at both Primary and Secondary, as there are some great books in each Library.

Whilst filters are in place, please note that it is the responsibility of parents/carers to check the suitability of books downloaded.

Accelerated Reader

Username = firstname.surname (if in Year 7, your username will be 20firstname.surname)

Password = ABC (unless you have changed it. If you have and have forgotten it, email louise.burrows@exmouthcollege.devon.sch.uk)

If you are in school and would like a library book, then reserve what you would like (instructions on how to do this on the Library page of the College website) and I will deliver it to you.

If you have difficulty accessing books or Sora ebooks, email louise.burrows@exmouthcollege.devon.sch.uk and depending on demand I will see if I can get books to you.

Eclipse
